We have operated successfully for years with no set fee for lodging, food, programs or childcare. We expect that our total cost this year will be close to \$11,000. Based on recent attendance figures, this represents an average cost of \$100 or more for each adult in attendance. We encourage those who are able to pay this much or more to do so, while we welcome as well contributions from those not able to pay this much. Please give according to your ability. Occasionally our contribution system results a small surplus. If this happens the funds are forwarded to the Yearly Meeting Trustees to support maintenance of the Hickory Grove Meetinghouse.
