Dear Kathleen, Ann, Carole, Yashar, Ed, Lori, Christine and Diana,

It was both a pleasure and privilege to be with you last Sunday. It was a great turnout and it was quite evident that you are a crack group of organizers who know their logistics and outreach. As I said, I had the easy job and all of you did all of the heavy lifting. I want to thank you for all of your work with Windows and Mirrors. If it were not for your efforts, those beautiful paintings would be stored in some closet.

To hear about the Scattergood students and staff and their vigil was a truly dear moment. I was serious that we want to publicize those efforts, I feel that it could become a replicable model for other groups around the country. Looking forward to seeing some of the photos.

Perhaps the best way to sum up how I felt is to quote Ed: "I was tickled to be there."

I look forward to working together with all of you in the future.

Peace,

Michael
