*"For each new morning with its light,  
For rest and shelter of the night,  
For health and food, for love and friends,  
For everything Thy goodness sends."  
-Ralph Waldo Emerson*

Dear Friends,

In the past few months, Scattergood has received several bequests to its endowment that now stands at over \$4 million. Over 75% of our students receive financial aid, a substantial portion of which comes from our endowment fund. Gifts from lifelong friends ensure that Scattergood will be a transformative school for generations of students and their families from all corners of the world.

Scattergood's new endowment total now places it in the top 15% of boarding schools in the United States with a student population of less than 120.

We are grateful for the enduring trust and support of our Scattergood family.

In Peace and with Love,

Christine and Rüdiger

*Bequests can be made for any amount and at any time in a person's life and can be named or made anonymous. They can be designated for a specific purpose, such as capital expenditures, or made available when and where most needed. They are often placed in an endowment fund to generate interest-based income while the original bequest remains untouched.*
